

Safety Data Sheet DRM-900

1) Information of the substance/preparation and of the company

Product Identification

- Commercial product.....PreStained Morphology Slides
- Part No.:DRM-900

Manufacturer/Supplier identification

- Company:Millennium Sciences, Inc. +1 (844)-423-5588
6899 Collins Ave, Unit 2908, Miami Beach FL 33141 USA
- In Emergencies:+1 (914) 552-2651

2) Chemical characterization/information on ingredients

- ChemicalContains no identified hazardous substances
- CharacteristicsMicroscope slides coated with stain.
- Other NoteThere is no information or indication at this time about hazardous properties

3) Hazards Identification

- Warnings:This product should be handled with the care appropriate for handling chemicals.
- Other note:.....Substance generally non-hazardous to the water supply. Slightly water polluting substance.

4) First Aid Measures:

- Hazard note:.....In case of ingestion of the prestained layer of the slide seek medical advice.
- Note for physicianSymptomatic treatment.

5) Fire-fighting measures

- Extinguishing mediaNo restrictions
- Thermal Decomposition:Dangerous decomposition is not anticipated.

6) Accidental release measures

- After spillage:Broken slides can be disposed of with household waste.
- Absorbent materials:.....No restrictions
- Other note:.....Special measures to limit damage are not necessary.

7) Handling and storage

- Handling:Substance itself does not burn. No special requirements.
- Storage:Store dry at +2° through 30°C
- Do not store together:no restrictions

8) Exposure controls/personal protection

- Respiratory protectionnone
- Eye protectionnone
- Skin protectionOne-way gloves
- Hygiene.....Wash hands before breaks and end of work.

9) Physical and chemical properties

- Physical state:.....solid
- Color:light purple
- Odor.....none

10) Stability and reactivity

- Hazardous restrictions:Not known
- Hazardous decomposition.....Not known

11) Toxicological information

- Oral:.....Not known
- SkinNot known
- InhalationNot known
- Toxicologic information:.....Intoxication has so far not become known.

12) Ecological information

- Water hazard class:O (own specification)

13) Disposal considerations

- Waste managementAfter investigation of infected blood or sperm, dispose of slides and cover glasses in infectious waste

14) Transport information

- Not subject to current regulations for hazardous goods.

15) Regulatory information

- No data available

16) Other information (NA)
